

Fashion Show Basket Themes

We hope to create at least 70 high quality baskets to be auctioned at the Fashion Show. In order to make our baskets a success, we need everyone's help. Each homeroom has been assigned a basket theme. Donation suggestions are listed with each theme. This list is merely a guideline to assist you in choosing your donations. Have fun and be creative! If you have more than one child in our school, please feel free to contribute to each child's homeroom. As always, your generosity is greatly appreciated.
